Print this sheet and then cut out the 6 Medication Safety Cards. Keep one for yourself and give the others to 5 friends or family members who you want to keep safe! Write a special note on the back that says "thinking of your safety" or "I know you always take medication for those headaches, make sure you know this information!" Be sure to ask them to visit www.medilyzer.com.

Print as many cards as you need to spread the word and keep your loved ones safe.
